

WHAT FEEDS THE ENGINE

The four pieces the Engine depends on, and the rhythm that keeps it running.

Intelligence Layer

CH 2

Shared context, governance border, compounding reuse – the platform the Engine runs on.

Six Big Fails

CH 4

What breaks in flight inside funded initiatives. The Underwriting Checks screen for them before the money moves.

Readiness Scorecard

CH 9

Five dimensions, scored 5–20: STOP / PILOT ONLY / READY TO SCALE.

Data Foundation

CH 11

Build where the data lives. Bad data is the hard-dollar failure mode.

THE CADENCE

CH 7

WEEKLY	initiative tactical
MONTHLY	portfolio review
QUARTERLY	capital allocation

CH 14 – MAKING IT LAST: governance that survives scale, regulation on your side, and no lock-in you didn’t choose.
